## ADVISOR RECRUITMENT OF JUDGES

Thank you so much for your participation in our gift card reward promotion!

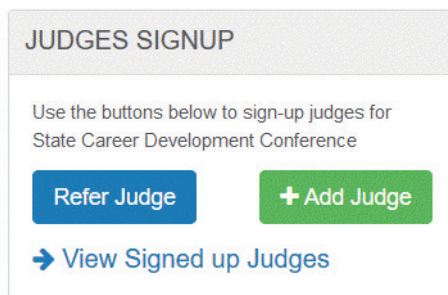

Right now we have 6 chapter advisors that have earned a \$100 gift card and are closing to securing their 2nd! But keep in mind, final award distribution will be made AFTER judges have completed their final check in on Tuesday. Also, keep in mind that Sunday does not count towards the prize.

## HAVE YOU SECURED YOUR THREE?

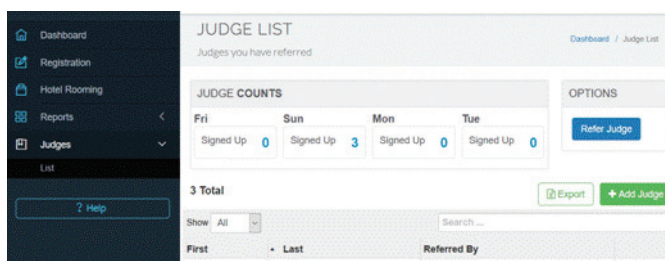

MN DECA still has the policy (outlined in registration packet) that each chapter secures three...in looking through my report, many of you have not yet done so. Please - without everyone's participation we will once again be short for judges...

## HOW TO REFER JUDGES

1. Log on to <http://deca.mnctso.org>
2. Select State Conference from the list
3. Click the blue "Refer Judge" button in the Judges Signup panel on the dashboard

4. A "dialog window" will appear, copy the link provided to start recruiting.
